A few conservative West Bank leaders, notably Bethlehem Mayor Ilyas Frayj who met with Sadat in Jerusalem, have com-
mented favorably on Sadat's policy.
Before Sadat's arrival in Jerusalem, many West Bank notables received threats, presumably from Fatah sympathizers, warning them not to meet with the Egyptian President. Some low-level representatives from Gaza and the Sinai will visit Cairo soon, however, according to press reports from Egypt and Israel.
//There is substantial popular sentiment in favor of Sadat's initiatives. Palestinians in the occupied territories were initially skeptical about Sadat's trip to Israel but approved of his firm statement of the Arab cause to the Knesset. Many are now supporting Sadat and criticizing Syria.//
//0-3-11- 3-13-13
//Sadat's initiatives have given rise to un- realistic popular expectations among the Palestinians of an easy peace settlement that will end the Israeli occupation. Even among the usually more radical student population large numbers are enthusiastically backing Sadat. This feeling could rapidly evaporate if the Cairo conference does not produce for-
ward movement on the West Bank question.//
